Last newsletter issue as Telefon-Gradnja. We are pleased to announce that a new serie will start in January as Telegra

Simplifying your world, so simple it's Telegra, not Telefon-Gradnja.

As a part of its global expansion and in order to be able to provide you with more, even higher quality products and better training in most modern facility.

ACTIVITIES

1G40 at Gulf Traffic 2007 Exhibition and Conference will be held from December 10th to December 12th, 2007 at Dubai International Exhibition Centre.

COMPANY NEWS

Telefon-Gradnja's last Newsletter

Since our first attempt in September 2006 and more or less regular past six issues with regret and sadness we are advising that this is the last issue of Telefon-Gradnja's Newsletter.

Hopefully, the information and data you received in past issues were useful and provided some benefits to your business and added to your success.

As we value you, our readers and want to continue providing you with useful data, we are pleased to announce that the in January 2008 you will receive the first issue of new TELEGRA newsletter....

THE 3RD OF DECEMBER 2008 – THE START OF A NEW GLOBAL TRAFFIC MANAGEMENT COMPANY

Simplifying your world

In the ever complex modern-day world, drivers are most satisfied when they reach their destination comfortably and safely, using the shortest route. You, the people who design, build and maintain highways and tunnels, take every effort to provide

them with such a solution. You want to have intelligent products at your disposal and partners who will make your job simpler. Telefon-Gradnja's mission was always to provide you and the drivers with that simplicity. Today, because of global presence, it is time to simplify the name as well. That's why we are changing it from Telefon-Gradnja to Telegra.

Yours Telegra.

All our correspondence and official business will be conducted as TELEGRA d.o.o from the 3rd December 2008 onward:

Telegra d.o.o. / Plesivicka 3 / Sv. Nedelja 10431 Croatia
Tel: +385 1 33 88 500 / Fax: + 385 1 33 88 599
www.telegra-europe.com / info@telegra-europe.com

TELEGRA WILL SERVE YOU BETTER - EXPANSION OF FACILITIES

As a part of its global expansion and in order to be able to provide you with more, even higher quality products and better training in most modern facility, new 2100 m² of manufacturing and 1000 m² of general purpose and training facility has been added to existing 2200 m² in 5 million EURO investment drive.

We look forward to share these facilities with our clients and trainees in the nearest future.
